

# After School Acting Program

## HOST A SITE!

February 18- May 16

### Sessions

**NEW**  
curriculum

#### Musical Mayhem 3rd-5th grade

Join us for a mix-up, mash-up, musical, madness mayhem! Study the elements of musical theatre from acting to dancing to singing. Learn the history of the modern musical, explore some of your favorite musical numbers, and learn to develop your own musical as a team. A fun and engaging introduction to musical performance for the new and experienced student.

The Spring session spans twelve weeks over the course of the semester. Troupes meet with their instructors for **90 minutes once a week**. Classes are not held the week of Spring Break and other school holidays.

#### Musical Theatre 6th-8th grade

Put on your dancing shoes, shake off your musical blues, and strut down The Great White Way. Explore your favorite Broadway musicals, learn basic and intermediate musical theatre techniques and get ready to exercise your body as you are dancing through life! Students will learn how to develop characters through singing, elements of choreography, and will create an all-new musical built from the skills and stories of their ensemble.

The Spring session spans twelve weeks over the course of the semester. Troupes meet with their instructors for **75 minutes twice a week**. Classes are not held the week of Spring Break and other school holidays.

#### Festival of Plays May 16 at 10:00 AM.
